

## Rain like they had never seen before – pics from week 3

## Yet more rain. . .

Each week,  
Is unique  
Different people, different fun,  
But all-in-all, 'bout the Number One.  
This weeks rain,  
Is not the same,  
It has tested and tried,

But the sun has dried,  
Leaving memories, impressions,  
Of Him who saves from transgressions.
